A career in Home Care gives you the chance to make a real difference to peoples lives.

## **We now need carers for Wakefield and the surrounding areas**

You need to be a friendly, caring person with good communication skills to deliver personal and domestic care to people in their own homes.

In return you will have a job that is rewarding, enjoyable and pays well.

We have full and part time positions available over days, evenings and weekends.

You need to hold a full driving licence as the role involves driving from one clients home to another.

We offer good rates of pay and enhanced pay at weekends.

Full paid training, a uniform, company mobile telephone and all equipment is provided.

Career opportunities including NVQ qualifications are available.

Previous experience is not necessary as full training will be given. Minimum age 18 years.
